

Accounting consultant with a few years of experience

Description

We are growing and looking for more driven colleagues for our team! Ganthor Ekonomi is imbued with a positive corporate culture where we work closely together and have an easy time laughing. We are therefore looking for someone who is positive and responsible with a great commitment to your work. To be successful in the role, it is also important to be able to keep several processes running at the same time, work at a fast pace and be solution-oriented.

Ganthor Ekonomi is a flexible accounting agency that offers unique solutions, tailored to each individual company. We work with both small and medium-sized companies in various industries all over Sweden. Our motto is that the entrepreneurs should focus on their business while we help them with what we do best, advice and accounting. We prioritize quality and service so that the customer can feel safe handing over all or parts of the finance function to us. We have long and solid experience in the industry and are an authorized agency via the industry organization SRF.

About the role

In order to thrive and be successful with us, we see that you live up to Ganthor's success factors. Broadly speaking, this means that we are looking for you who invest time in your relationships, take initiative and accept challenges, have a positive attitude and show commitment and take responsibility for what you do. We therefore attach great importance to your personal qualities. You will be part of our team where the community is high and where everyone helps and supports each other in the work, with knowledge and a good working environment.

Job duties

You will work with ongoing accounting, reconciliations, payroll, reporting and declarations as well as annual reconciliations and consultation.

Qualifications

- Degree from university of applied sciences or university with specialization in economics and accounting
- Has experience and habit of preparing financial statements, annual reports and declarations
- You have an interest in business consulting and a strong market drive and thrive in a role with customer responsibility and building customer relationships
- We would like you to be fluent in spoken and written Swedish and have good knowledge of English
